

## **The Governor of Daraa Suffered a Severe Injury and the Cancellation of Part of the Operation in Order to Protect Civilian Life**

In the Name of Allah, the Most Compassionate, the Most Merciful  
The Nusra Front — Statement No. 169

Within the military offensive named operation “Beginning of the End”

The Battle of “Lightning Sent”

Allah Almighty says: “If you gain the mastery over them in war, disperse them and those who follow them, so that they may remember.”

Still, the youth of Islam in the land of al-Sham are making glorious history with their blood. They are the shining examples of sacrifice and bravery. The heroes of al-Sham in the steadfast city of Daraa had carried out a spectacular car bombing operation. The following objectives were executed:

1 – A gas station owned by military security was targeted by a car bomb driven by the heroic martyrdom-seeker – Abu Hussam al-Janubi. This gas station was used as a gathering place for soldiers and at the time of the attack there was a number of military officers located there.

2 – An officers' club, where a number of vile officials who wrought evil down upon the Muslims were gathered, was targeted by a car bomb driven by the martyrdom-seeker – Abu Muhammad al-Janubi. For they did not comprehend the might of Allah; the explosion, by the grace of Allah, caused heavy damage to the building and burned up the soldiers' tents that surrounded the building. There were dead and wound among the enemies of Allah and it was a catastrophe for the officer corps.

3 – The residence of the governor of Daraa was targeted from the south by a parked car bomb. This operation resulted in the complete destruction of the residence, the bombing leveled the building. He was recompensed accordingly by the Mujahideen, for the sake for Allah, by collapsing his house on his head, just as their planes destroy the homes of the Muslims. The governor received a severe injury to his head and no help for him from Allah.

The al-Kabrita checkpoint was the fourth target. The third martyrdom-seeker set out toward his target with determination and steadfastness, but a civilian car was stopped at the checkpoint and was being searched for a long time and this forced the brother to return in spare the spilling of precious Muslim blood. So wait, you enemies of Allah, days will be intense.

All praise and thanks are to Allah.

Praise be to Allah, the Lord of the worlds, and peace and blessings upon the Imam of the Mujahideen Muhammad and upon his family and all of his companions, and as for now:
